To Lessen Its Perls He Will Use a Slower Cable or Dig a Tunnel.

Latter Would Run Under Union Square Park, Making a Straight Road.

Practical Results of the Journal's Crusade in the Interest of Human Lives

HE ADMITS DANGER'S MENACE.

Rallroad Committee of the Board of Aldermen Seem to Be Unantimous in Favoring the Underground Plan as Proposed.

At last some ming will be done to dimin-ish the perils of "Dead Man's Curve," as the direct read to of the Journal's unflagging At last Presid at Vreeland, of the Metro-Rian Tracti a Company, has prepared ins to preve at the repitition of the many idents or the cable road at Fourteenth et and I'wenty-third street.

This developed yesterday at the public hearing of the question before the Railroad Committee of the Board of Aldermen-Parker, Hall, Goodman and Woodward. President Vreeland was there.

esident Vreeland did most of the talkwindent vreeiann in most of the tars, although Lawson N. Fuller, with his w hat as a fan, was present, too, ddent Vreeland held the floor for one one-half hours, in which time he sold had perfected two schemes. One was a new and slower cube at the deadly re, the other to run the cars through annel under Union square from Fourth to Seventeenth strest. The latter would do away with the curve enant provide a straight line of road. TROUBLE NOT MECHANICAL TROUBLE NOT MECHANICAL.

pening President Vreeland said the ere run at the rate of seven miles but that owing to innumerable specied obstacles encountered, it ossible for the cars to cover more see miles in that time. This was Z, he contended, that could not field unless the existing condition should be changed, can be done to remedy the trouble senish street?" suddenly inquired a Goodman.

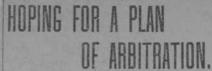

bankers who offered to purchase 4 per cent bonds that none will be sold now. Belmout, Morgan, and other capitalists are very willing to buy bonds, but President Cleveland will not sell another bond during his term if he can avoid it.
